Church Plans For July 5th

Some Guiding Thoughts & Principles For This Plan

- Public Worship is An Important and Desired Expression of Our Church
- Worship Can Be Experienced in a variety of Settings and Forms
- Our Worship is to always be God Focused and God Honoring
- Our Church Community is To Respect and consider the Feelings and Opinions of others who wish to be a part of our worship. Romans 12:10 is instructive: *“Be devoted to one another in love. Honor one another above yourselves”*.
- Our Responsibility as Christians are to seek to be the hands and feet of Christ in a world with many destructive elements.
- In Responding to the Virus and the Civil Unrest, we must seek God’s Holy Spirit and be the Witness that Jesus called for us to be.
- We are Called as Christians to Respect and pray for our Governing Authorities
- We acknowledge that there are a variety of cautions that people will feel and follow. We will encourage full respect of those who are either more cautious or less cautious than ourselves.
- The Virus Pandemic has created havoc in our country with a wide variety of reactions, opinions, and responses that have resulted in deep divides of What People Believe is best for their families and our communities.
- Governor Wolfe on July 1st issued a mandate that all Pennsylvanians wear a mask while in public.
- There are a variety of opinions about his authority to do so and this policy that infringes on our rights as citizens as well as the Medical Discussion and research as to the wisdom and efficacy of this policy.
- We recognize that there are many principles that must be considered.
- As always, this plan may be revised as we proceed.
