Church Worship Plans For August 23, 2020 & Following

Some Guiding Thoughts & Principles For This Plan

- Public Worship is An Important and Desired Expression of Our Church
- Worship Can Be Experienced in a variety of Settings and Forms
- Our Worship is to always be God Focused and God Honoring
- Our Church Community is To Respect and consider the Feelings and Opinions of others who wish to be a part of our worship. Romans 12:10 is instructive: *“Be devoted to one another in love. Honor one another above yourselves”*.
- Our Responsibility as Christians are to seek to be the hands and feet of Christ in a world with many destructive elements.
- In Responding to the Virus and the Civil Unrest, we must seek God’s Holy Spirit and be the Witness that Jesus called for us to be.
- We are Called as Christians to Respect and pray for our Governing Authorities
- We acknowledge that there are a variety of cautions that people will feel and follow. We will encourage full respect of those who are either more cautious or less cautious than ourselves.
- The Virus Pandemic has created havoc in our country with a wide variety of reactions, opinions, and responses that have resulted in deep divides of What People Believe is best for their families and our communities.
- As always, this plan may be revised as we proceed.

Our Worship Plan For August 23rd and Following

- There will be 1 Sunday morning worship Service at 10:15.
- Four rows (two for seating and two for spacing) will be designated adjacent to the Alley side sanctuary door (North side) for those who prefer to wear a mask and be seated with others who are wearing masks.
- Signs will be posted to designate these rows and masks will be available for anyone who comes and would like to sit in this area.
- All of the Pews and public areas will be sanitized each week.
- We will continue to offer seating in every other row and encourage all those that attend to practice physical distancing, hand washing, and other safety precautions.
- We will continue to record the service and connect by Phone, Facebook and YouTube for those who wish to engage while at home.
